Dear Commissioners:

**APPROVE COMMUNITY DEVELOPMENT BLOCK GRANT ADVANCE CONTRACT
AMENDMENT NO. 1 FOR VOLUNTEERS OF EAST LOS ANGELES
(District 1) (3 Vote)**

SUBJECT:

This action is to approve Amendment No. 1 to Community Development Block Grant (CDBG) Advance Contract No. 101821 between the County of Los Angeles and the Volunteers of East Los Angeles (VELA), for \$330,000, to provide construction signage within the First Supervisorial District, through June 30, 2009.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that approval of Amendment No. 1 to CDBG Advance Contract No. 101821 between the County of Los Angeles and VELA is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the activities are not defined as a project under CEQA.
2. Approve a Amendment No. 1 to CDBG Advance Contract No. 101821 with VELA, presented in substantially final form, to increase the contract amount by \$330,000, from \$50,000 to \$380,000, for VELA's Special Events and Programs project, using \$330,000 in CDBG funds allocated to the First Supervisorial District, to be effective from date of Board approval through June 30, 2009, following approval as to form by County Counsel and execution by all parties.

3. Instruct the Acting Executive Director of the Community Development Commission to execute the standard CDBG Advance Contract Amendment, on behalf of the County of Los Angeles (County), following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

On May 27, 2008, your Board approved the 2008-2009 One-Year Action Plan for the Thirty-fourth Program Year (July 1, 2008 through June 30, 2009) to receive CDBG funds from the U.S. Department of Housing and Urban Development (HUD). At that the time, your Board approved CDBG Advance Contracts with VELA for three projects, using CDBG funds allocated to the First Supervisorial District: \$50,000 for the Volunteers of East Los Angeles project; \$50,000 for the Special Events and Programs project; and \$145,000 for the East Los Angeles Farmers Market project. The proposed Advance Contract Amendment will provide an additional \$330,000 for the Special Events and Programs project to provide signage to indicate that area businesses are still open during road and subway construction within the unincorporated areas of the First Supervisorial District.

The Action Plan contains the County's One-Year Plan to carry out housing and community development activities funded by the CDBG program. The proposed CDBG Advance Contract Amendment to the Special Events and Programs project with VELA is consistent with the purposes set forth in the Action Plan.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The proposed CDBG Advance Contract Amendment will be funded with a total of \$330,000 in CDBG funds allocated to the First Supervisorial District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

VELA, a community-based development organization, supports community economic development activities that increase economic opportunity, principally for persons of low- and moderate-income, and that stimulate or retain businesses that enhance and promote the unincorporated East Los Angeles business districts. The Advance Contract Amendment will provide an additional \$330,000 for VELA's Special Events and Programs project to provide signage to indicate that area businesses are still open during road and subway construction within the unincorporated areas of the First Supervisorial District. CDBG funds will be used for a portion of personnel costs and non-personnel professional services. VELA is located at 4620 East 3rd Street in unincorporated East Los Angeles.

Honorable Board of Commissioners
November 12, 2008

Should VELA require additional or replacement personnel after the effective date of this CDBG Advance Contract, VELA shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet VELA's minimum qualifications for the positions in question.

The attached standard CDBG Advance Contract Amendment is presented in substantially final form, and will be effective following approval as to form by County Counsel and execution by all the parties.

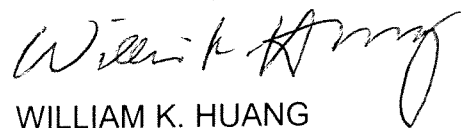

ENVIRONMENTAL DOCUMENTATION:

This action is exempt from the provisions of the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3) because it involves administrative activities that will not have a physical impact on or result in any physical changes to the environment. These activities are not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT PROGRAM:

The project meets the HUD national objective of serving low- and moderate-income persons.

Respectfully submitted,

WILLIAM K. HUANG
Acting Executive Director
